**PRODUCT WRITE UP**

**Easy to Clean:** Natural resilience to dirt and soiling make. **Non-Allergenic:** Safe for your family. Non-allergenic fiber; it does not promote the growth of bacteria or dust mites, or give off harmful emissions. **Strong and Durable:** Machine-Woven technology ensures fibers are incredibly durable and strong, creating products that last. **Crush Resistant:** Natural crimp gives built-in resilience to crushing. Furniture marks disappear when the fiber is gently moistened and allowed to recover naturally. **Inherently Fire Safe:** Naturally flame retardant, difficult to ignite, do not melt and are self-extinguishable. **Static Resistant:** Does not suffer from static electricity build-up. **Comfortable:** Inherent bulk and resilience gives superior sound and heat insulating properties.
