ABOUT ANTIBALLISTIC FABRIC

It's Durable – It's 100% woven nylon and surpasses industry performance standards for strength. Perfect for high-traffic areas where style and design are as important as the performance of the upholstery.

It's Easy to Maintain – Stains wipe off with a clean cloth. It can be cleaned repeatedly without surface damage.

It's Safe – It is anti-bacterial and mildew resistant and meets provincial and federal flammability requirements.

It's Stylish – Suitable for hospitality, commercial, healthcare and residential uses, which will continue to look great for the life of the furniture.

It Feels Wonderful – It feels so soft; you'll hardly believe it's anti-ballistic. This chair collection was created with the fashion forward designer in mind.
